# Preamble

This Directory contains information and data about most of the ship builders, repairers and designers in the People's Republic of China. The Directory is made by China Classification Society (CCS) based on our own knowledge and is provided only for reference. We shall by no means guarantee the accuracy of the data and information contained in the Directory, nor shall we be liable to any damages sustained by the mere use of this Directory.

A stylized map of China is shown in white against a blue background. A bright sunburst effect emanates from the center of the map, with rays extending outwards. The map is partially enclosed by a white arc on the left side.
