

# IMO Safety Signs

## resolution A.760(18)

SOLAS Chapter III, Regulation 20.10 requires signs to identify the locations of Life Saving equipment. Reference should be made to the symbols related to Life Saving Appliances and arrangements adopted by IMO by Resolution A.760(18).

Assembly Station has the same meaning as Muster Station. Assembly / Embarkation Stations should be identified with the appropriate sign with an identification number or letter on the right side of the sign. Direction to Assembly / Embarkation Stations can be marked using the Assembly / Embarkation sign with a Direction Arrow.
